As an Early Childhood Educator, you know that ensuring children are ready for success as they enter kindergarten starts with ensuring their social, emotional, developmental, and intellectual needs are met long before they turn five years old. We invite you to join our team of passionate educators who are committed to making a difference in the lives of the children and families we serve in our Early Head Start classrooms.

This position requires energy, an eagerness to both teach and learn every day, and a determination to **exceed the standards**. If you're looking for a challenge and are interested in being part of an organization that is always innovating, this might be the job for you.

Responsibilities:

- Assist Lead Teacher in planning and conducting age-appropriate activities.
- Provide input to periodic developmental assessments for children.
- Assist with parent conferences.
- Prepare supplies and environment for activities.
- Help to manage the classroom.
- Provide primary care-giving for children age 0-3.
- Reply on your education and expertise to maintain a classroom where children feel safe and excited about learning.

Qualifications:

- Associates Degree in Early Childhood Education, or equivalent credits required.
- 1-3 years experience in a Early Head Start funded 0-3 Program preferred.
- Bilingual (Spanish/English) preferred.
- Experience with Creative Curriculum and the Teaching Strategies GOLD assessment tool is preferred.
