

**Safety Matters:
Safety & Facility Education & Transportation for You!
Agenda
November 9, 2018
10:00 – 3:00 pm**

10:00AM Welcome and Introductions

- Let's catch up with each other
- Let's review the agenda together to add discussion topics and prioritize our day
- Tell us what you have been up to! What is going right and what are your challenges?
- Where have you been placing most of your energy?

Goals for today's meeting:

1. Share ideas, develop common understanding, and build knowledge around a concern or passion (i.e. – “discussion topics for the day).
2. Foster interactions between individuals focused on important elements of practice.
3. Discussion that focuses on tacit knowledge, or the know-how that tells us in any setting how things really get done.
4. Safe and supportive spaces for members to share resources and ideas, explore and question their understandings, solve challenges, and form common commitments for action and improvement.

11:00AM Transportation

- Frank Scarsdale – Terminal Manager for Apple Bus Company
Frank will be sharing his experiences and expertise with us re: regulations, drivers and monitors
- Staff shortages and personnel issues

12:15PM Lunch

1:00PM Safe Environments
