

On-Demand Orientation Modules

Are you ready to bring your orientation to a new level? These inspirational modules bring life to onboarding new staff and make your job easier ensuring that your newest team members are engaged and excited about their new job. Certificates can be printed to celebrate success and support documentation needs.

BRIDGE is Our Online Learning Platform

BRIDGE allows our programs to offer online orientation anywhere at any time. It's accessible, easy to use for both the Head Start and Early Head Start program as well as for the user.

What You Get?

Complete access to all the modules or courses on BRIDGE. Five more modules will be added in the Spring of 2019. These include: School Readiness, Early Learning in Illinois, A Culture of Safety, Community Engagement, and Standards/Regulation/Monitoring

Plus, an additional **twenty free courses** with course content on common topics that you can modify and use for your own. These courses cover a range of topics that meet common needs such as coaching and feedback, presentation skills, safety training, goal setting, preventing workplace harassment, and more!

On-Demand Orientation Modules

Module 1: What is Head Start and Early Head Start?

Module 2: Cultivating Passion

Module 3: Professionalism

Module 4: Reaching the Most Vulnerable and At-Risk

Module 5: Parents As Key Partners

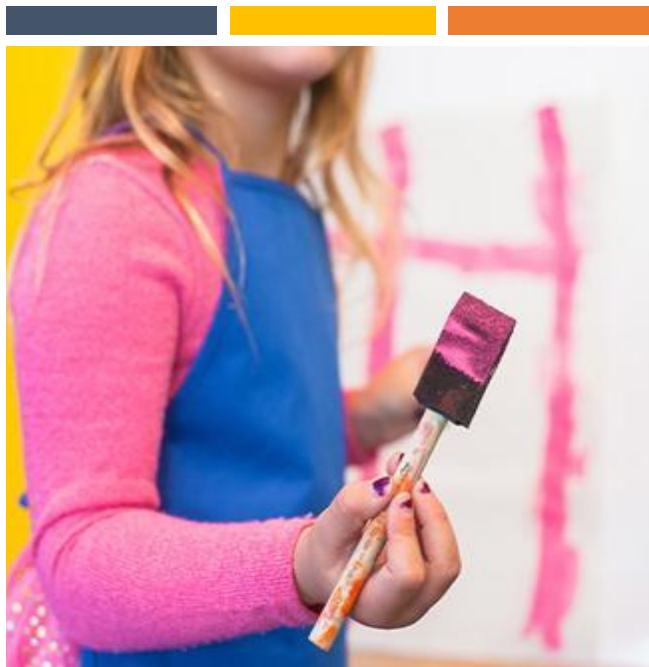

Want Your Own Online Learning Platform?

In addition to all the great courses that IHSA has developed and placed on BRIDGE your program can also have access to BRIDGE to develop your own modules and courses. IHSA will provide technical assistance and support to help you develop and manage an online learning platform.
